

SCHOOL COMPETITIONS FOR 2018

Again this year Alfred Deakin High School is offering students the opportunity to enter a range of national academic competitions. Students wishing to enter one or more of these competitions must tick the appropriate box and **return this form with payment to the Finance Office**. Students in Unicorn classes are expected to participate; however, as this is an optional activity a payment will be required to cover costs. Individual records of contributions are confidential. If you would like your child to participate but are experiencing financial difficulties please contact Principal Belinda Bartlett.

Commitment upon payment of entry fee is final. No refunds will be given. Students will be reminded closer to the time of each competition that they have entered. Queries regarding conditions of entry should be directed to the competitions coordinator in the respective faculty.
