

# EXPECTATIONS

All expectations ADHS has of members of the school community are based on the four core values of the school - excellence, responsibility, respect, and community

## DRESS CODE

### CLOTHING WORN SHOULD:

- Protect students from hazards in classrooms, corridors, and outside including the weather
- Show respect for the sensitivities of different cultures represented at the school
- Reflect standards determined by the community NOT individuals
- Reflect workplace dress standards

Students are to wear tops that cover the entire shoulder, the upper section of the arm and should prevent bare torsos.

Jewellery should be unobtrusive and not pose a threat of injury or harm to the wearer or anyone else

Waist down attire needs to reach down to mid length.

Slogans and images that cause offence are not acceptable

Students need to wear footwear to school that provided adequate protection in all school environments - practical areas, classrooms, corridors, and the playground. Thongs are unsafe at school as is any loose fitting footwear.
